

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 1, 1996

SUBJECT: **HB 2105 - SB 2337**

This bill, if enacted, will require that appointments to boards, commissions, councils and committees be made to achieve minority and gender balance in relation to the population of the state as a whole or in the area represented by such entity.

The bill requires the appointing authority to file an annual report to the Secretary of State disclosing the appointments made the previous year.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures for the annual report. However, such increase is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
